

Cholesteatoma 2012

June 3 – 7, 2012

Prospectus for Sponsorship, Morning Seminar,
Luncheon Seminar, Evening Seminar, Sponsored Symposium,
Exhibition, and Advertisement

May, 2010

To whom it may concern,

We are happy to announce that the 9th International Conference on Cholesteatoma and Ear Surgery will be held in Nagasaki, Japan in June 2012.

This conference is held every four years and conference has a magnificent history, and has contributed to the development of the studies of Cholesteatoma and Ear Surgery.

I will make every effort to make the conference as fruitful as possible in every aspect. I would like to include various kinds of academic sessions such as instruction courses, temporal bone dissection courses, special lectures, symposia, panel discussions, etc., by inviting extinguished researchers and clinicians from all over the world. It would be a great opportunity for researchers to exchange and discuss the latest knowledge and information.

We are able to accomplish this conference only with generous sponsorship from companies. For our sponsorship level and further information, please find the enclosed documents.

We hope that this conference will be the great opportunity to contribute to further development in the medical area, as well as deeper cultural exchanges.

We appreciate for your interest and support in helping to provide high quality programs for the conference in advance. If you have any further questions, please do not hesitate to contact us.

Sincerely yours,

The 9th International Conference on Cholesteatoma and Ear Surgery
Conference Chair: Haruo Takahashi, M.D.
